Provider Profile

Information provided by the provider describing their agency:

Our mission is to provide homes and opportunities for people with developmental and related disabilities. We offer and support high quality professional services that enhance each person's social responsibility, independence, dignity, and continued growth. As a not-for-profit community organization, we are dedicated to increasing public understanding of the people we serve, and their ability to be contributing members of the community. We currently operate 11 group homes, 9 supported living arrangements, family support, and a Career & Community Options program in Fairfield County. We also operate a Sensory Integration Room for the people we serve and the community at large. We have committed staff as represented by their length of service. The average length of service for administrative staff is 16.5 years, for management it's 12 years, and for our direct service staff it's 4 years. In addition 21% of our direct service staff have a college education.
